

YARLINGTON BARN

Sumptuous Somerset Hog Roast

Our scrumptious Somerset Roast Hog is sourced straight from our local farm butchers.

Comfortably serving up to a hundred guests, but you can add more if you wish!

We're serving it up expertly carved with golden, crispy roast potatoes, traditional stuffing, a vibrant variety of different salads, and freshly baked soft baps - oh, and don't forget the apple sauce and the crackling!

Please note: *for those who are not meat eaters, we can provide a vegetarian / vegan alternative, and gluten-free baps are available on request.*
